PRESIDENT'S MESSAGE I would like to thank those members who served as auditors, advisers or on committees, also to the membership for the many encouraging letters, offers of help and suggestions that have been expressed this past year. I am especially appreciative of the innumerable kindnesses and assistance from Mr. and Mrs. Frederick R. Rice.

We welcome the increase in membership to our Association this year, thanks to the efforts of the membership committee, chairman, Miss Margaret S. Rice. The auditors checked the Treasurers books and found them correct, however, they recommended a more formal set of books for bookkeeping which I have approved.

The Post Office Department requires "zip" numbers on third class mail. Make sure that the SECRETARY, Miss Jeneve M Melvin, has your number so you will be sure to get your copies of the News Letters.

It was the considered opinion of the nominating committee that some of the burden of the work should be lifted from the shoulders of Mrs. Randall. It was then voted to separate the office of Secretary-Treasurer. Mrs. Randall does not type and had to write all correspondence in long hand so she will continue as Treasurer.

PRESIDENT'S MESSAGE - conti.- In order for the Secretary to maintain a correct membership list I ask that ALL dues and monies be sent to Miss Melvin, as well as correspondence not pertaining to genealogy. Lineages are still to go to the Historian. This should not be taken to mean that you cannot correspond direct with the officers.

The President will welcome any volunteers and suggestions.

ANNUAL REUNION The Congregational Conference Center in Framingham proved a delightful change and the weather was perfect. There was a goodly number present. We regret that several of our faithful members were unable to attend.

Director (now V.P.), Mrs. Crissy S. Ball, missed her first reunion in many years due to illness.

Director, Erwin R. McLaughlin and wife are touring in Europe.

Past Pres. Ralston F. Rice wrote he had been hospitalized from Mar 16th to 1st week in May for a major operation and his recovery has been slow.

Past Pres. Stanley I. Rice and wife have been touring the U.S. & Canada and could not get back in time.

Wendell A. R. Babcock, Pres. of the Babcock Asso. and a RICE cousin, is presently in the Middlesex Fells Nursing Home, Martin St., Melrose, Mass. 02176.

HISTORIAN'S REPORT During the Winter, while we were in Florida, the President was given the use of our home and I understand he averaged one day a week there working on Rice records. Through the kindness of our Vice Pres, Mrs. Crissy S. Ball, who paid for the typing, many of the 2,000 cards we had ready for listing were finished upon our return. As reported to the Reunion membership much work has been accomplished, much is still to be done. Lineages are still coming in and a number are still in the hands of correspondents awaiting further data. We can only say better hurry and send them in!

The financial report of the Treasurer shows less than \$5,000 in ALL accounts. That is NOT enough to tempt a printer to do our work. We appreciate the fact many of our faithful members have sent in advance orders for a book, however, it looks as though we must appeal for loans of a substantial amount. The Association has taken steps that all advance money will be held in escrow and not touched until it can be used for books. We are a non-profit society and gifts will be tax-free so if you have some money that can be spared let us put it to good use. NUFF SED!

ANNUAL DUES Again we point out that we have NO paid employees and the only source of income is from dues. Annual dues are \$2.00 and run from Sept. to Sept. Send your remittance to the Secretary, Miss Melvin, as outlined by the President.

PROGRAM This years program for the annual reunion carried a picture of Alexander Hamilton Rice, 1818-1895. He was Governor of Massachusetts 1876-1879 and the program carries a brief biography. When paying your dues if you include a self-addressed envelope stamped, the Secretary will send a copy of the program.

EDITOR'S NOTE If you know of a Rice Descendant who is not a member and will send the name or names to either the Secretary or Editor we will see that they get a copy of the News Letter-free. Enclose full names, addresses and "zip" numbers.

A letter from the N.E. Hist. & Gene. So. about a missing News Letter goes on to say: "**** and we feel that this publication is of interest to the many readers who use our Library." If not interested in the genealogical data turn it over to your local Library for others use. The Mormon Library in SLC has a complete set of the Letters.

ADDITIONAL This continues the material that has been found supplementing Andrew
 GENEALOGICAL Ward's book on the RICE FAMILY. It does not continue the families
 INFORMATION beyond his book, but, lists additional children, births, marriages,
 deaths, places and the names of spouses. Numbers in brackets (560)
 are the family numbers as they appear in his book and the other numbers belong to the
 individual persons.
